Driving to school by students is a privilege extended to Year 12 students. The College views this matter as most serious and hence permission will only be granted in conjunction with your parents.

1. **OBTAINING PERMISSION**
   - You will be required to sign this form requesting permission from parents.
   - You must lodge registration, make and colour details of all cars you may be driving.
   - If you intend to convey passengers, including friends and brothers/sisters, you must also have written approval both from your parents, nominating the specific passengers, and from the parents of the intended passengers.
   - You must produce your driver’s licence when handing in application.

2. **CONTINUING REQUIREMENTS**
   - You carry no more than three passengers.
   - 20 km/h speed limit inside the College area including car park, Schumann Lane and Bligh Street.
   - Cars must be parked in the parking space provided in the car park on the corner of Hilton Road, Schumann Lane and Bligh Street.
   - Cars may not be used during the day.
   - Cars and parking area are out-of-bounds during the school day, including recess and lunchtime.
   - Change of registration or additional cars must be notified.
   - Safety first and common courtesies apply at all times – careful driving is to be the norm.
   - Remember that you represent the College when driving to and from school. Past experience shows that careful driving brings credit to the College. However, there are also many members of the community only too ready to complain about loutish behaviour or discourteous; such complaints will be referred to the local police, complete with all relevant details.
   - You may only carry passengers for whom a permission note has been received both from your parents and their parents.
   - These authorised passengers are named on the approvals list held in the office.
   - Failure to observe these requirements could result in loss of privilege of driving to school.
I acknowledge that I have read the attached rules and conditions for my son/daughter to drive to school. I understand that failure to observe the above conditions will result in the loss of my son's/daughter's privileges.
